### **Experience**

I raised and bred thoroughbreds' horses in my ranch in Dripping Springs Texas for 16 years.

The foals were registered with the Jockey Club

The yearlings were sold in Keeneland Kentucky.

I trained my 2-year-olds,

I worked as a jockey in a training stable in San Antonio.

In Texas I did dressage, jumping always under the supervision of my two trainers.

I manage the ranch, foaling, riding, feeding.

I was President of 'Alliance Francaise ' in Austin Texas for 9 years.

I am a photographer, cinematographer, and film editor.

Production Co. Documentary International.

I was the owner of Texas Rowing for 14 years and a USRA National Rowing Coach.

I was in Town Lake in Austin Texas.

I had a program with the Schools for the Blind and the School for the Deaf.

I took the student in an 8 and coxed the boat.

I was most impressed with the blind students and their joy to be on the water.

The way they listened to the sound that the oars made in the water.

Blind students can most benefit from the contact with horses, they will fall in love with their lovely smell and the satin of their skin.
